2010 ROAD PROGRAM

Mr. Sayles said that pavement evaluations were done around the first of the year. Following the traditional rating system, roads were rated and prioritized with some modifications. St. Clair Street was removed because of the construction on the Rt. 2 project. The Service Department will do Riverbend Road. Gardenside Drive was removed because of a scheduled water main replacement project this year. Mr. Sayles said that Jack Reinhardt Ave. was removed, but will be done in sections when other streets in Ridge Acres come up in the road program. Mr. Sayles said that this will free up some money. Finance Director Rogowski has indicated that the city can spend \$100,000 more on the road program this year than what is usually spent.

Mr. Sayles said that although there were some complaints from residents last year regarding overlaying the concrete streets, he and Mr. Tomaselli have re-evaluated the process and strongly recommend that this process be continued. There will be one modification to the process whereby one neighborhood at a time will be done.

Mr. Fiala asked that residents be informed when their streets were going to be resurfaced. Mr. Sayles said that the Service Dept. and/or the contractor will notify the residents ahead of time.

The Committee recommended that plans and specs be prepared for the 2010 Road Program.

The Committee of Full Council meeting adjourned at 7:20 p.m.
