Press Release

February 13, 2009

Approximately 5:00 am this date an unknown burglar entered an unlocked home on Waldamere Avenue in our city while the residents slept. Stolen were a laptop computer, a black/plaid Burberry woman's jacket, wallet and cash. The residents did not see the suspect and were unharmed.

Also discovered this morning were attempts to enter at least thirty units at the Willoughby Commons condominium complex located at the 37300 block of Euclid Avenue. It does not appear that any of these condominiums were entered.

Additionally, several automobiles parked close by on Waldamere Avenue and Eldo Street were rummaged through with miscellaneous items removed.

In all instances it appears the suspect(s) were checking for and targeting unlocked doors and windows. Several screens were cut to access the doors and windows.

Anyone with information concerning these crimes is asked to contact the Willoughby Police Department Detective Bureau at 440.953.4210.

We are also reminding residents to always keep their homes and vehicles locked and never hesitate to contact 911 should they see or hear anything suspicious.
