OSBORNE/SUNSET PARKS PLANS REVEALED

A draft of the master plan for Osborne and Sunset Parks was discussed with the public at a meeting on June 29. Link below to the draft presentation. Wonderful and exciting concepts to open our two Lakefront Parks for improved access and facilities. This is a draft with details to be finalized so please take a few minutes to review the material and offer me your input and feedback. Osborne Park in particular could be a real crown jewel for Willoughby and I personally love to ride up to Sunset park for summer, evening sunsets. Go to www.willoughbyohio.com and click on the link.

PAN OHIO HOPE RIDE

Fundraising for the American Cancer Society Hope Lodge’s

Facing cancer is hard. Having to travel out of town for treatment can make it even harder. Yet the American Cancer Society has a place where cancer patients and their caregivers can find help and hope when home is far away - an American Cancer Society Hope Lodge. Ohio has a Hope Lodge in Cleveland and Cincinnati. The Pan Ohio Hope Ride has cyclist’s ride 328 miles from the Cleveland location to the Cincinnati location over 4 days to raise awareness and money. Ward 4 resident and Council spouse, Margie Carr, has taken up the challenge! Visit www.PanOhioHopeRide.org for details and to support her efforts.
