PAVING

Did you notice the very fast, overnight paving improvement on SOM this past month? The area between the two southbound lanes was in poor condition. We arranged to cut out a foot wide section and replace this swath all the way from Euclid to Halle and it looks great.

LOST NATION GOLF COURSE

The DRIVING RANGE is open from sun up to sun down 7 days a week. Choose one of our 15 synthetic turf areas or one of our 10 grass areas to work on your swing. Buckets are available for \$5, \$7, and \$9.

LITHUANIAN CENTER PROJECT (Mary Rose Estates)

As many of you already know, the Mary Rose Estates proposal to build an additional building next to the Lithuanian Center was denied by the Planning Commission. The group found a more suitable location for this project in Wickliffe which is suitably zoned. The building, as designed, would fit very well on this site and there appears to be no regulatory issues. They will be moving forward with this project.

LAKE COUNTY BOARD OF ELECTIONS

Lake County Board of Elections Precinct and Polling Changes: Big Turtle II residents are now part of 4A instead of 4C. You will vote just inside the Gym Doors at South. This will better balance the number of voters across the precincts in our area. At the Presidential Election, 4C had a line of 50-100 people while 4A had no line at all. I spoke to the elections board at that time and told them of the situation which will now be corrected with the changes announced last week.
