LEAF PICK-UP

Leaf pickup by City crews will begin the week last of October (weather permitting) and continue through the first week in December. Crews will try to do each area at least once a week during this time period.

Please keep leaf piles out of the street gutter and away from street drains and catch basins. Leaves placed in the street can block drains and catch basins causing street flooding. Leaves placed in street gutters are a violation of Ordinances 915.04d and 521.08i.

As always, you can bag (craft paper bags) your leaves and they will be picked up on your regular scheduled trash day along with your yard waste through November 26th 2010.
