LEAF PICK-UP

(yes, it's that time of year!)

Curbside pick up will begin the end of October with the goal to get to every street 3 or 4 times. Waste Management will continue to pick up yard waste in bags or cans through the end of November. Please do NOT rake leaves into the street as this can cause blockage in our storm sewers --- and we all know the recent problems with storm system capacity so no need to exacerbate the problem.
