

Enterprise Zone Agreement - Key Steps

1. Discuss project and process
2. Negotiating group formed (Company, City, County, EZ Mgr., Schools)
3. Determine project eligibility
4. City and Commissioners directionally agree to proceed
5. Company completes proposed agreement (application)
6. EZ application review committee determines eligibility and sustainability
7. Company and City negotiate an Enterprise Zone Agreement
8. Commissioners in agreement of terms
9. Required school notifications are made
10. City Council passes approval resolution
11. Commissioners pass approval resolution
12. Notification to all required parties (State, Tax Com., County Auditor, Etc.)

*The formal Enterprise Zone Agreement must be executed prior to allowing the business to begin the project.
