

PLEASE JOIN US FOR A NEIGHBORHOOD WORKSHOP

Topic: Union High School Development

When: Thursday, October 27th, 2022 at 5:00-6:30

Where: Former Union High School – Center Street Entrance

We are asking for your feedback on our apartment design! Liberty Development Company is working on a concept to add new owner-occupied housing to this site and adaptively reuse the historic building for market rate apartments.

Please join us on October 27th at the former Union High School – 25 Public Square – Downtown Willoughby. Our team will provide a brief project update and then we will visit a first-floor classroom in the building to share a rough layout for an apartment unit. Please dress for the weather and wear footwear appropriate for a construction site.
