Camp Swim Better gives summer camp participants the opportunity to build swimming skills during the camp day at Osborne Park Pool. Campers are transported to the pool on Fridays where trained instructors focus on water safety and swim skill development in a fun, supportive environment. It's a great way for campers to gain confidence in the water while enjoying part of their camp day at the pool. These will be Red Cross Swim Lessons. Participants will be split into the appropriate level on the first day. This is a 8-week program June 5 – August 7 (no class on 06/19 & 07/03). Class Time: 11:20 -11:50AM. Participants can participate even if they are not attending camp that week. Cost: \$45

If camps fill, children will be placed on a waiting list.

Registration is taken by the week; we do not offer single day registration.
