MAYOR ROBERT FIALA

Dear Residents,

Spring and Summer are some of the most exciting times of the year in our community. As the days get longer and our parks come to life, I encourage you to take advantage of the programs and events offered by our parks and recreation department.

From the laughter and friendships formed at summer camp to sunny afternoons spent at the pool, these experiences create lasting memories for our children and families. Our dedicated staff works hard to provide a safe, welcoming, and enriching environment where kids can explore, grow, and simply enjoy being kids. Through swimming lessons, youth sports, fitness classes, special events, or community gatherings in our parks, residents of all ages can stay active and connected.

Our Parks and Recreation programs are at the heart of what makes our city special. They bring neighbors together, support healthy lifestyles, and create spaces where everyone feels welcome. I encourage you to explore this brochure, register early for your favorite programs, and perhaps try something new this season.

Thank you for being part of our vibrant community. I look forward to seeing you enjoying all that Willoughby has to offer this spring and summer. I wish you and your family a safe, healthy, and enjoyable season.
