For over 15 years, the Willoughby Ghost Walk has delighted visitors with their popular tour through the haunted historic district of downtown Willoughby, Ohio - a city with more than its share of ghostly tales and frightening legends! Experienced guides (some have participated in GOBA in the past) lead you down darkened pathways to explore stories of grave robbers, ghostly apparitions, and murderous mysteries. You will visit the cemetery to hear the sad account of a beautiful young woman far from home on a long-ago Christmas eve and her fate at the wheels of a speeding train. In addition, you will hear stories of some of the amazing and unexplainable paranormal encounters experienced first-hand by town business owners, residents, past tour guests and our guides during the Willoughby Ghost Walk.
