TRAVEL BASKETBALL

The City of Willoughby Parks & Recreation Youth Basketball Travel Teams are designed to help promote and develop a higher level of play in basketball in third (3rd) through sixth (6th) grades. Volunteer Coaches will focus on the further development of basketball fundamentals and understanding of the game. Participation and sportsmanship will be stressed at all levels with a primary concern for developing basic individual skills and general team concepts. Willoughby South High School coaches will offer their support to the Willoughby Travel Teams to help with the development of future players.

The City of Willoughby will field one team, each year, for the 3rd, 4th, 5th, and 6th grades. Each team consists of approximately 8-10 players. Participants must try out for the travel teams and will be selected by an impartial panel based on proficiency in skills, game awareness, overall effort, and potential for development.
